How to sign up & kick off your fundraising page!

We suggest that you complete your online registration all at once, so make sure you have all the information you'll need before you begin.

Step 1) Jump online, open your web browser and go to <u>fundraise.varietywa.org.au/event/4WD/</u>

Step 2) Click "Enter Now" at the top of the page

Step 3) Choose whether you are registering as a Car Captain or a Crew Member.

Please choose from the options below to register for the 2020 Variety 4WD Adventure

A Variety 4WD Adventure **Captain** is the main contact/ representative for the participating car. As the captain, this person is responsible for paying the car entry fee, setting up the fundraising page and completing the vehicle details.

A Variety 4WD Adventure **Crew Member** is a participating member of the car, but has elected another person in their car to be the Captain.

Step 4) Enter your details in the form displayed on screen

**In this example, we are filling out the Captain form. The Crew form is similar, but requires less information.

Congratulations - you've officially registered and will be joining us on the Variety 4WD Adventure!

Your Account Dashboard

Now it's time to explore your new Variety 4WD Adventure fundraising hub. Only Captains will have access to this, so ask your Captain to do this on your team's behalf, or get him/her to share their login details with you so that you can access it, too.

Everything you need to access can be found in your Account Dashboard.

Accessing your Account Dashboard

Go to: https://fundraise.varietywa.org.au/login/event and enter your login details

Expand the menu on the top right hand of the page by hovering over your name. Then select My Dashboard.

Alternatively, you can hover over the icons on the left hand side of the page and then select My Dashboard.

Navigating your Account Dashboard

If you hover your mouse pointer over the left side of the screen, you'll see a sidebar menu pop up. There are three buttons at the bottom of the menu, including:

- "View my page" you'll only need to use your team page to fundraise, so please ignore this page.
- "View my team page" to view your team page and URL
- "Sponsor yourself" to make a personal donation to your own page

You'll see along the top/middle there are a number of tabs - this is where the magic happens...

Tab #1 – Get Supporters

Here you can share your page on social media or send emails to our friends by entering their emails in the field provided. You'll see we've already written a template email for you. You can use this as is, or edit this to suit your needs. You can also tick the box that says "email all of your sponsors", which sends a message to everyone who has donated so far. You might want to send a special thank you email, update them on your fundraising when you reach a milestone, or you can even use this on the event itself to update them on your journey.
