How We Help Kids and Families in WA

Grants

Variety – the Children’s Charity assists both individuals and organisations – including schools, not for profit organisations and community groups - through our grants program. We grant equipment, supplies, educational aids and much more. This may be a communication device for a child who can't speak, wheelchair accessible vehicle modifications to the family vehicle or an all-abilities playground for a school or local park.

Programs

We run programs to educate and empower kids in need. This includes the well-known Variety Choir and the Variety Motor Mouth Program, which assists kids who have limited speech and rely on augmentative and alternative communication aids to communicate.

Scholarships

We give scholarships to encourage the talents of kids in need. Variety provides scholarships to children with an existing talent living with disability, chronic illness or financial hardship to achieve their full potential and to follow their dreams.

Whether it’s a dream to compete at a higher level in sport or wow a crowd on a stage – Variety Heart Scholarships can cover items such as travel, accommodation, equipment, coaching, competition fees and much more. Scholarships are awarded up to the value of \$5000 in the areas of Education, Sports and the Arts.

Kids Events

We hold lots of exciting events throughout the year to bring joy to kids in need and their families, who often miss out. Our largest kids’ event is the Variety Kids Xmas Party, which brings hundreds of children and carers together to experience performing acts, rides, animals, face painting, stage shows, gifts and of course, Santa. Held right across Australia, they’re the biggest parties of the year for kids aged 0-13 years living with disability, chronic illness, facing financial hardship or in need of critical care.
